NUNES VINEYARD

Russian River Valley

WINEMAKER'S NOTES

Located on the last alluvial bench of the Russian River Valley, Nunes Vineyard, with its silty clay loam soil, consistently produces perfectly ripened 115, 667, and 777 clonal grapes vintage after vintage. The valley's renowned fog serves as a natural cooling system, flowing in from the Pacific Ocean to the west and San Francisco Bay to the south, creating ideal conditions for a long, cool growing season. Fred and Wendy Nunes combine their passion for growing Pinot Noir with a deep understanding of their vineyard and the science behind it. With the partnership of Mother Nature and the Nunes family, this vineyard provides everything necessary to craft Pinot Noir that truly reflects its unique terroir.

WINEMAKING PROCESS

Over the years, we've refined our winemaking techniques to celebrate the unique qualities of our Pinot Noirs. Each clone and vineyard lot is fermented and aged separately, providing us with a diverse range of blending options. The process begins with a two- to three-day cold soak to extract color and flavor, followed by fermentation with specially selected yeast strains ideal for Pinot Noir. Fermentation lasts seven to twelve days, during which we hand-punch the fermenters up to four times daily to maintain precise temperatures. After fermentation, the wine is pressed and aged in François Frères oak barrels for a minimum of 11 months, allowing it to develop complexity and depth before bottling.

TASTING NOTES

An impressive dark ruby color and complex nose starts with loads of bright cherry, purple violet notes and subtle herbaceous flavors. Layered on the palate, this wine is full of concentrated black raspberry and black cherry at the onset with riper plum and dried fruits showing as the wine opens. There is so much to admire in this beautifully textured wine as it delivers finely tuned tannins and fresh acidity. The great structure and overall ageability makes this wine perfect for your next dinner party.
